Summary

Motivated, detail-oriented web design and development student. I have a strong foundation in front-end technologies and user-centered design principles. On pace to complete my Associate's Degree in Web Design/Development by the end of 2025. I am eager to bring creativity and technical skills to an entry-level tech role. Proven ability to learn quickly, work collaboratively, and adapt to new challenges—backed by years of high-pressure experience in the service industry. I am eager, and willing to learn more.

Skills & abilities

Proficient in a range of technology, and coding skills (HTML5, CSS, JavaScript, MYSQL, Java, Microsoft Office, Adobe, VS Code, NotePad, Digital Marketing, Project Management, and other basic computer skills & functionalities).
